

Certificate of Proficiency

Visual Strength Grading Scheme

This is to certify that

Jim White

Has passed the examination in visual strength grading of softwood to BS 4978:2007 and on this day was considered competent to visually grade timber to this standard

Visual Strength Grading operations shall be carried out by a grader and/or grading company, under the supervision of a certification body approved by the UK Timber Grading Committee.

In order to apply Strength Grade marks to timber the grader and/or grading company must register with a UKAS Accredited Timber Strength Grading Scheme and must also agree to submit to annual independent monitoring. After each successful monitoring visit graders will issued with a registration card which shall be retained at all times as evidence of their competence.

The number allocated to the grader is 5430
